### THE EUROPEAN CHAMPIONSHIP OF THE EUROPE CLASS PRESENTED ON SATURDAY AT THE BARCELONA BOAT SHOW

**Barcelona, 13<sup>th</sup> November 2006.-** Yesterday, the European Championship of the Europe class, organised by RFEV, FCV ad CB L'Escala was presented in the ESPAI DEL MAR, in pavilion 2 of the Fira Barcelona-2 venue. The event was presided over by Jaume Conejero, director of international projection of the General Secretariat for Sport of the Generalitat of Catalonia; Segimon Obradors, President of FCV and Nando Muñoz, commodore of the CN L'Escala.

During the speeches, the President of the FCV (Catalan Sailing Federation) highlighted the encouragement that the Catalan association offers to the sailing sector "CN L'Escala is always at the forefront of competitions. In 2006, they held Match Race championships, Championships of Catalonia and of Spain in the Europe class, meaning that the European will carry on the continuity of help to the Europe class".

The commodore of CN L'Escala did not miss the chance to continue with the Catalan municipality's line of dissemination, at an event at which some hundred people were present. "It is a new opportunity for the Club and for L'Escala to host the best regatta sailors in this class as well as continuing to be a reference for promoting L'Escala and our municipality".

To close the event, the representative of the General Secretariat for Sport spoke of the confidence of the autonomous region's government in educational projects on sailing as a sport and launched the same wish as Nando Muñoz "We hope there will be the right wind for it to be a spectacular competition".

At the end of the presentation, bread with anchovies from L'Escala was served.
